I really loved the tiny town of the Pits, population of 6, with its very strange and creepy history and the things that Pamela uncovered about its inhabitants only added more gore and spice to the story. The book is, as others mentioned, appropriate for all ages because it operates on multiple levels. The symbolic dualism of the elemental world and the earth world unfolded with the characters and stories on each side of the realms. Author Susan Kearney is a native of New Jersey, writes full time and has sold books to the industries' top publishing houses. Praise for the Colourguides series: "These are books to keep for reference or to give as presents. I love the realism of the technical portion. The attraction between Sam and TJ is immediate and powerful, and the last thing that Sam thinks she wants or needs.
